Re: Second Written Request for the 1995 Annual Report

Dear Mr. Dettamanti:

As of this date, we have not received your annual report for the Three Mile #1 mine, file number S/025/013; the Stonehedge, file number S/025/017; and the Low Down #1, file number S/025/019, located in Kane County, Utah. In a phone call on March 22nd, you stated you would send in the reports right away. We still have not received them.

The Utah Mined Land Reclamation Act, Title 40-8-15, subsection (2) and Rule R647-3-116.1 of its interpretive rules, require a mine operator to file an annual report with this Division by January 31st of each year. This report is required regardless of mine activity, unless the Division grants a written waiver from the annual filing requirement, or the operator receives a formal release from continued reclamation obligations from the Division. Your failure to file this report, may constitute a violation of the Mined Land Reclamation Act, which could result in the issuance of a Notice of Noncompliance and/or a formal Notice of Agency Action.

We assume that your failure to return the completed annual report form was an oversight. Accordingly, we are once again requesting that you submit the required report to this office. Please return the enclosed annual report form (please make copies as needed) no later than April 15, 1996. Please contact me if you have questions or concerns in submitting the report. Thank you for your cooperation and prompt attention to this matter.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
